

# Teaching Experience

**Name :** Pietro URSINO

**Current Affiliation :** Università degli Studi di Catania, Città Universitaria, viale Andrea Doria n.6, 95125 CATANIA, Italy

**Place and Date of Birth :** Catania, December 24th, 1964

**Nationality :** Italian

**Military Service :** I served the army for one year in 1988

**E-mail :** `pietro.ursino@uninsubria.it`, `pietro.ursino@unict.it`

## Reflections on my own teaching

---

Throughout my career, my multidisciplinary training has allowed me to teach many courses of different fields. This experience has allowed me to develop a teaching strategy that is extremely flexible and adaptable to different contexts and audiences.

## Teaching activity

---

### Teaching courses

- *Computational Logic* for degree in Mathematics and/or Computer Science, at the Department of Mathematics and Computer Science, Università di Catania, Catania: 2002.
- *Basics of Programming*, for degree in Mathematics and/or Computer Science, at the Department of Mathematics and Computer Science, Università di Catania, Catania: 2001.
- *Algorithms and Complexity*, for degree in Mathematics and/or Computer Science, at the Department of Mathematics and Computer Science, Università di Catania, Catania: 2003–2008.
- *Basics of Programming*, for degree in Mathematics and/or Computer Science, at the Department of Mathematical and Physical sciences, Università dell’Insubria, Como: 2008–2017.

- *Linear Algebra and Geometry*, for degree in Industrial, Electronic and/or Computer Engineering, at the Department of Electronic and Computer Engineering, Università di Catania, Catania: 2017–2021.
- *An Introduction to Bioinformatics Algorithms*, for Bachelor of Science in Medicine and Surgery, at Facoltà di Medicina, Università di Catania, Catania: 2021.
